

Pocket Folder Story Goal Path Card Pack

Sixteen pocket folder cards help writers connect a want, small snag, first try, rethink, finish note, and broad pocket label.

Audience: Families, homeschool groups, tutors, and adult-led writing tables for writers ages 7-11.

Format: 16 printable pocket folder story goal-path cards plus adult guide tools, goal-path routines, take-home goal slips, and optional adult prompts

Family-safe printable writing pages for adult-led, offline goal path practice.

\$87

Included

- 16 printable pocket folder goal path cards
- Adult setup guide
- Fictional goal-path safety notes
- Character want prompts
- Small snag prompts
- First try prompts
- Rethink prompts
- Six adult-led goal-path routines
- Ten take-home goal slips
- Printable PDF and ZIP artifact

Goal path coaching

Pocket Folder Goal Path Adult Guide

- Set out one pocket folder, blank pages, pencils, and a goal path card before the adult-led start: _____.
- Choose one made-up world and remind the writer that the want, snag, first try, rethink, finish note, and pocket label all stay invented: _____.
- Move through the goal path in order so the paper page has one clear want before any snag appears: _____.
- Keep the adult in charge of the folder while the writer writes or dictates short paper lines: _____.
- Use pretend characters, broad places, and invented actions only; skip real names, real places, and personal facts: _____.
- Close by reading the finish note and adding a pocket label for a later adult-led paper pass: _____.

Use one pocket folder goal path card at a time. Keep every choice broad, invented, paper-only, and guided by an adult.

Sixteen goal path card worlds

Pick a world image, then connect one fictional want, snag, first try, rethink, finish note, and pocket label.

Choose the pocket folder routine

SHORT FIRST-PAGE SETUP Want Pocket Start Pocket folder, blank page, pencil, and want card. 1. The adult opens the pocket folder and points to the want blank: _____. 2. The writer names one pretend character want for the page: _____. 3. The adult asks what makes that want clear on paper: _____. 4. The writer writes or dictates one want line on the blank page: _____. The goal path starts with this pretend want: _____.	ONE-PAGE SNAG SETUP Snag Slip Add-On Pocket folder, current page, pencil, and snag slip. 1. The adult rereads the want line from the paper page: _____. 2. The writer invents one small snag that gets in the character's way: _____. 3. The adult asks how the snag changes the next sentence: _____. 4. The writer writes one snag line under the want: _____. The snag gives the want this paper problem: _____.
FIRST ACTION PASS First Try Page Pocket folder, goal path card, blank page, and pencil. 1. The adult points from the snag to the first try blank: _____. 2. The writer chooses one first try the character can make: _____. 3. The adult asks what the first try looks like in one paper line: _____. 4. The writer writes the first try and tucks the page beside the snag slip: _____. The first try moves the goal path with: _____.	GENTLE CHANGE PASS Rethink Fold-Back Pocket folder, first try page, rethink strip, and pencil. 1. The adult folds back the first try page and asks what did not quite work: _____. 2. The writer names one calm rethink for the pretend character: _____. 3. The adult asks what the character will try in a new way: _____. 4. The writer writes one rethink line on the strip: _____. The rethink changes the goal path by: _____.
PAPER CLOSE PASS Finish Note Tuck-In Pocket folder, finish note slip, page stack, and pencil. 1. The adult lays the want, snag, first try, and rethink pages in order: _____. 2. The writer chooses what the pretend character understands by the end: _____. 3. The adult asks for one finish note that stays about the made-up goal path: _____. 4. The writer writes the finish note and tucks it into the pocket folder: _____. The finish note closes the goal path with: _____.	FOLDER LABEL WRAP Pocket Label Sort Pocket folder, label slip, pencil, and finished paper stack. 1. The adult points to the folded goal path pages in the pocket folder: _____. 2. The writer chooses a broad pocket label for the made-up goal path: _____. 3. The adult asks which part the label should help find later: _____. 4. The writer writes the pocket label and places it on the folder: _____. The pocket label names this goal path as: _____.

Try one goal path later

TAKE-HOME GOAL SLIP Goal slip 1 Adult: open the pocket folder and ask for one pretend character want: _____.	TAKE-HOME GOAL SLIP Goal slip 2 Writer: the want on my goal path is: _____.
TAKE-HOME GOAL SLIP Goal slip 3 Adult: ask what small snag gets in the way of that want: _____.	TAKE-HOME GOAL SLIP Goal slip 4 Writer: the snag on the paper page is: _____.
TAKE-HOME GOAL SLIP Goal slip 5 Adult: point to the first try blank and ask what the character does next: _____.	TAKE-HOME GOAL SLIP Goal slip 6 Writer: the first try should be: _____.
TAKE-HOME GOAL SLIP Goal slip 7 Adult: ask what the character can rethink after the first try: _____.	TAKE-HOME GOAL SLIP Goal slip 8 Writer: the rethink line is: _____.
TAKE-HOME GOAL SLIP Goal slip 9 Adult: ask for a finish note that closes the pretend goal path: _____.	TAKE-HOME GOAL SLIP Goal slip 10 Writer: the pocket label for this paper stack is: _____.

Optional adult prompts

- Optional adult-led paper prompt: the pretend character wants _____.
- Optional adult-led paper prompt: the small snag is _____.
- Optional adult-led paper prompt: the first try looks like _____.
- Optional adult-led paper prompt: the rethink changes the plan by _____.
- Optional adult-led paper prompt: the finish note should say _____.
- Optional adult-led paper prompt: the pocket label can name _____.
- Optional adult-led paper prompt: the next paper pass could start with _____.
- Optional adult-led paper prompt: the goal path closes when _____.

Acorn Avenue Errand Office Story Goal Path Card

Adult setup: Adult: place one pocket folder, blank page, pencil, and pretend acorn-errand goal path card beside the writer: _____.

Writer: keep the Acorn Avenue errand fully made-up while each paper note moves the helper closer to the goal: _____.

Acorn Avenue Errand Office

Want Want: write what the tiny errand helper wants to finish before the folder pocket closes: _____ _____	Snag Snag: add one small paper mix-up, missing note, or turned sign that slows the errand goal path: _____ _____
First try First try: write the first calm idea the helper tries at the errand office: _____ _____	Rethink Rethink: change one part of the plan after the snag points to a better paper clue: _____ _____
Finish note Finish note: write the short note that shows how the helper reaches the made-up errand goal: _____ _____	Pocket label Pocket label: write a broad folder label for this Acorn Avenue want and goal path: _____ _____

Quiet option: fill only the want, snag, and pocket label blanks before adding the first try later: _____. **Take-home line:** restart this paper goal path later with one pretend acorn errand want: _____.

Pocket Park Notice Board Story Goal Path Card

Adult setup: Adult: set out a pocket folder, blank page, pencil, and pretend notice-board goal path card: _____.

Writer: invent a park helper, a paper notice, and a goal path that stays on the page: _____.

Pocket Park Notice Board

Want
Want: write what the park helper wants the notice board to help solve in the made-up scene:

Snag
Snag: add one small snag, such as a folded corner, swapped pin, or confusing paper mark:

First try
First try: write the helper's first try for making the notice board goal clearer: _____.

Rethink
Rethink: write how the helper changes the paper plan after reading the snag again:

Finish note
Finish note: write the calm line that shows the notice-board goal path has reached a useful ending:

Pocket label
Pocket label: write a broad folder label for this Pocket Park want and goal path: _____.

Quiet option: write only the want and finish note, then let the adult hold the folder for later: _____.

Take-home line: continue this paper goal path later with one pretend park notice want: _____.

Mitten Market Lost Ticket Story Goal Path Card

Adult setup: Adult: place a pocket folder, blank page, pencil, and pretend mitten-ticket goal path card on the table: _____.

Writer: make the ticket, mitten stalls, and helper completely pretend while the goal path stays paper-only: _____.

Mitten Market Lost Ticket

Want Want: write what the mitten helper wants to find, fix, or return in the lost-ticket scene: _____ _____	Snag Snag: add one small snag, like two similar ticket shapes or a tucked-away paper slip: _____ _____
First try First try: write the first try the helper makes to sort out the ticket mix-up: _____ _____	Rethink Rethink: write what the helper notices next and how the plan changes: _____ _____
Finish note Finish note: write the short made-up note that shows the ticket goal is settled: _____ _____	Pocket label Pocket label: write a broad folder label for this Mitten Market want and goal path: _____ _____

Quiet option: draw a tiny paper ticket mark, then fill the want and pocket label blanks: _____.

Take-home line: start another paper goal path later with one pretend mitten-ticket want: _____.

Penny Path Compass Shop Story Goal Path Card

Adult setup: Adult: set a pocket folder, blank page, pencil, and pretend compass-shop goal path card where the writer can reach them: _____.

Writer: keep the compass, path marks, and shop helper invented while the goal path grows on paper: _____.

Penny Path Compass Shop

Want Want: write what the shop helper wants the pretend compass to help choose or fix: _____ _____	Snag Snag: add one small snag, such as a compass arrow that points to two paper marks: _____ _____
First try First try: write the helper's first try for following the compass clue on the page: _____ _____ _____	Rethink Rethink: write how the helper changes the plan after the compass mark makes a new idea: _____ _____
Finish note Finish note: write the calm line that shows the compass-shop goal path is complete: _____ _____	Pocket label Pocket label: write a broad folder label for this Penny Path want and goal path: _____ _____

Quiet option: fill the want, first try, and pocket label blanks, then pause the rest: _____. **Take-home line:** continue this paper goal path later with one pretend compass-shop want: _____.

Rain Boot Route Rangers Story Goal Path Card

Adult setup: Adult: place a pocket folder, blank page, pencil, and pretend rain-boot ranger goal path card beside the paper: _____.

Writer: invent paper boot marks and ranger notes while keeping the whole goal path pretend: _____.

Rain Boot Route Rangers

Want
Want: write what the rain-boot ranger wants to arrange, check, or guide in the made-up scene:

Snag
Snag: add one small snag, like a smudged boot mark, a folded map scrap, or a sign that needs clearer wording: _____

First try
First try: write the ranger's first try for moving the goal path forward on paper: _____

Rethink
Rethink: write how the ranger changes the paper plan after the snag becomes clearer:

Finish note
Finish note: write the short note that shows the ranger's goal path reaches a calm finish:

Pocket label
Pocket label: write a broad folder label for this Rain Boot Route Rangers want and goal path:

Quiet option: write only the want, snag, and finish note before adding the rethink later: _____.

Take-home line: restart this paper goal path later with one pretend rain-boot ranger want: _____.

Greenhouse Gear Garden Story Goal Path Card

Adult setup: Adult: set out a pocket folder, blank page, pencil, and pretend greenhouse-gear goal path card: _____.

Writer: keep the gear, garden tags, and helper made-up while each paper note moves toward the goal: _____.

Greenhouse Gear Garden

Want
Want: write what the greenhouse helper wants the pretend gear to do for the garden plan:

First try
First try: write the helper's first try for using the gear to move the goal path ahead:

Finish note
Finish note: write the short note that shows the greenhouse-gear goal path has a calm finish:

Snag
Snag: add one small snag, such as a gear tag that turns the wrong way or a label that needs a clearer note: _____.

Rethink
Rethink: write how the helper changes the plan after checking the gear tag again:

Pocket label
Pocket label: write a broad folder label for this Greenhouse Gear Garden want and goal path:

Quiet option: fill the want and rethink blanks first, then choose a pocket label: _____. **Take-home line:** continue this paper goal path later with one pretend greenhouse-gear want: _____.

Moss Message Observatory Story Goal Path Card

Adult setup: Adult: set out one pocket folder, a blank page, a pencil, and a pocket label slip before the goal path begins: _____.

Writer: invent an observatory helper who reads pretend moss messages and keeps every goal path note on paper: _____.

Moss Message Observatory

Want Want: write what the observatory helper wants to learn from the pretend moss message today: _____ _____	Snag Snag: name one small paper snag that makes the moss message hard to understand at first: _____ _____
First try First try: write the first calm paper plan the helper tries to follow the moss message: _____ _____	Rethink Rethink: choose what the helper notices after the snag and how the paper plan changes: _____ _____
Finish note Finish note: write the final note that shows what the helper understands now: _____ _____	Pocket label Pocket label: write the short pretend label for this moss message goal path: _____ _____

Quiet option: adult points to the want blank, and the writer fills only the finish note line: _____ . **Take-home line:** tuck the moss message page into the pocket folder with one goal path note to continue later: _____.

Rain Gauge Railway Story Goal Path Card

Adult setup: Adult: place one pocket folder beside a blank rail note, a pencil, and a pocket label strip for the goal path: _____.

Writer: make up a railway helper, a pretend gauge mark, and a paper-only goal path with no real trip details: _____.

Rain Gauge Railway

Want Want: write what the railway helper wants the pretend gauge mark to help with: _____. _____	Snag Snag: name the small paper snag that makes the gauge mark point to the wrong rail note at first: _____. _____
First try First try: write the first paper step the helper tries to sort the gauge mark: _____. _____	Rethink Rethink: choose the new rail note the helper checks after the first try does not work: _____. _____
Finish note Finish note: write how the helper connects the gauge mark to a clearer paper ending: _____. _____	Pocket label Pocket label: write the short pretend label for this railway goal path: _____. _____

Quiet option: adult names the gauge mark, and the writer fills only the rethink blank: _____. **Take-home line:** keep the rail note in the pocket folder with one want, snag, or first try line to finish later: _____.

Pond Bridge Blueprint Club Story Goal Path Card

Adult setup: Adult: set out one pocket folder, a blank blueprint page, a pencil, and a pocket label slip for the goal path: _____.

Writer: invent a blueprint club helper and plan a pretend pond bridge idea only on paper: _____.

Pond Bridge Blueprint Club

Want
Want: write what the blueprint helper wants the pretend pond bridge to help connect:

Snag
Snag: name one small blueprint snag, such as a line that points to the wrong page corner:

First try
First try: write the first paper plan the helper sketches to fix the bridge idea: _____.

Rethink
Rethink: choose what the helper notices on the blueprint and how the plan changes:

Finish note
Finish note: write the final paper note that explains the new bridge idea: _____.

Pocket label
Pocket label: write the short pretend label for this blueprint club goal path: _____.

Quiet option: adult circles the snag blank, and the writer fills only one first try phrase: _____. **Take-home line:** slide the blueprint page into the pocket folder with the pocket label ready for another paper plan: _____.

Compost Clock Workshop Story Goal Path Card

Adult setup: Adult: open the pocket folder, add a blank workshop page, and place a pocket label strip beside the goal path card: _____.

Writer: invent a workshop helper with a pretend compost clock and keep the whole goal path on paper: _____.

Compost Clock Workshop

Want Want: write what the workshop helper wants the pretend compost clock to organize on the page: _____ _____	Snag Snag: name one small paper snag that makes the compost clock marks confusing at first: _____ _____
First try First try: write the first paper fix the helper tries for the clock marks: _____. _____ _____	Rethink Rethink: choose what the helper changes after checking the snag again: _____. _____ _____
Finish note Finish note: write the final note that shows how the helper understands the clock marks now: _____ _____	Pocket label Pocket label: write the short pretend label for this workshop goal path: _____. _____ _____

Quiet option: adult reads the want line, and the writer fills only the pocket label blank: _____.

Take-home line: place the compost clock page in the pocket folder and add one rethink note later: _____.

Chapter Gate Greenhouse Story Goal Path Card

Adult setup: Adult: set one pocket folder, a blank greenhouse page, a pencil, and a pocket label slip beside the goal path prompt: _____.

Writer: invent a greenhouse gate helper and write a paper-only goal path with made-up details: _____.

Chapter Gate Greenhouse

Want Want: write what the greenhouse gate helper wants to open, sort, or understand on the pretend page: _____ _____	Snag Snag: name one small gate snag that keeps the helper from moving the goal path forward at first: _____ _____
First try First try: write the first thoughtful paper plan the helper tries at the chapter gate greenhouse: _____ _____	Rethink Rethink: choose what the helper learns from the snag and what changes in the next paper plan: _____ _____
Finish note Finish note: write the final note that shows how the helper reached a calm stopping point: _____ _____	Pocket label Pocket label: write the short pretend label for this greenhouse goal path: _____ _____

Quiet option: adult points to the first try blank, and the writer fills only the rethink line: _____. **Take-home line:** tuck the greenhouse page into the pocket folder with the finish note facing up for later use: _____.

Binding Day Boardwalk Story Goal Path Card

Adult setup: Adult: set out one pocket folder, blank page, pencil, and this card beside a pretend boardwalk page stack: _____.

Writer: build a goal path on paper for an invented boardwalk helper and keep every detail made up with adult guidance: _____.

Binding Day Boardwalk

Want Want: choose what the invented boardwalk helper wants to fix, find, or arrange by the last page: _____ _____	Snag Snag: name the small boardwalk paper problem that slows the want without danger or blame: _____ _____
First try First try: write the first calm action the helper tries with a page stack, ribbon cart, or folder note: _____ _____	Rethink Rethink: show what the helper notices after the first try and what changes on the goal path: _____ _____
Finish note Finish note: write the ending note that shows how the want changed or was handled: _____ _____	Pocket label Pocket label: write the broad pretend pocket label for this boardwalk goal path: _____ _____

Quiet option: fill only the want, snag, and pocket label before adding more: _____. **Take-home line:** tuck the page in the pocket folder and add one new rethink later: _____.

Blue Pencil Observatory Story Goal Path Card

Adult setup: Adult: place this card, a pocket folder, blank paper, and pencil beside a pretend blue-pencil sky chart: _____.

Writer: plan the goal path on paper for an invented observatory helper and keep the sky-chart details pretend: _____.

Blue Pencil Observatory

Want
Want: choose what the invented observatory helper wants to mark, rename, or sort on the blue-pencil chart: _____.

First try
First try: describe the first paper action the helper tries with a pencil mark, chart corner, or folder tab: _____.

Finish note
Finish note: write how the helper leaves the chart clearer at the end of the goal path: _____.

Snag
Snag: write the small pencil-line problem that blocks the want for one calm story beat: _____.

Rethink
Rethink: show the new clue the helper notices after the first try changes the goal path: _____.

Pocket label
Pocket label: write the broad pretend pocket label for this observatory goal path: _____.

Quiet option: write one want sentence, one snag phrase, and one pocket label word first: _____. **Take-home line:** fold the page into the pocket folder and add one invented chart rethink later: _____.

Index Card Theater Club Story Goal Path Card

Adult setup: Adult: set out a pocket folder, blank page, pencil, and this card beside a pretend stack of theater-club index cards: _____.

Writer: use paper only to plan a goal path for an invented card keeper inside the pretend theater club: _____.

Index Card Theater Club

Want Want: choose what the invented card keeper wants the theater club to remember on its index cards: _____ _____	Snag Snag: name the small mix-up that makes two pretend index cards point in different directions: _____ _____
First try First try: write the first careful card-sorting action the keeper tries to help the want: _____ _____	Rethink Rethink: show what the keeper notices when the first try changes which card matters most: _____ _____
Finish note Finish note: write the final paper note that shows the card keeper found a workable ending: _____ _____	Pocket label Pocket label: write the broad pretend pocket label for this theater-club goal path: _____ _____

Quiet option: fill the want blank, the snag blank, and one pocket label word before adding the first try: _____. **Take-home line:** slide the page into the pocket folder and add one new card rethink later: _____.

Compass Craft Academy Story Goal Path Card

Adult setup: Adult: place one pocket folder, blank page, pencil, and this card beside a pretend compass craft table: _____.

Writer: draft a paper goal path for an invented compass maker using only made-up craft-table details: _____.

Compass Craft Academy

Want
Want: choose what the invented compass maker wants to guide through a pretend paper maze:

First try
First try: describe the first paper action the compass maker tries with an arrow, tab, or folded map:

Finish note
Finish note: write the ending note that explains where the goal path finally points:

Snag
Snag: write the small compass-mark problem that makes the goal path bend in an unexpected way:

Rethink
Rethink: show what the compass maker changes after seeing why the first try was not enough:

Pocket label
Pocket label: write the broad pretend pocket label for this compass-craft goal path:

Quiet option: write only the want, one snag phrase, and one compass pocket label for now: _____. **Take-home line:** keep the page in the pocket folder and add one new arrow rethink later: _____.

Almost Invention Workshop Story Goal Path Card

Adult setup: Adult: set out a pocket folder, blank paper, pencil, and this card beside a pretend almost-invention sketch: _____.

Writer: plan the paper goal path for an invented workshop helper and keep every invention detail gentle and pretend: _____.

Almost Invention Workshop

Want Want: choose what the invented workshop helper wants the almost-invention to do by the ending: _____ _____	Snag Snag: name the small paper-tab or gear-label problem that keeps the want from working at first: _____ _____
First try First try: write the first careful action the helper tries with a tab, label, sketch, or folded note: _____ _____	Rethink Rethink: show what the helper notices after the first try and what new paper choice follows: _____ _____
Finish note Finish note: write how the almost-invention ends up useful in a surprising pretend way: _____ _____	Pocket label Pocket label: write the broad pretend pocket label for this workshop goal path: _____ _____

Quiet option: fill only the want line, snag line, and pocket label line before adding more: _____ . **Take-home line:** tuck the page into the pocket folder and add one new workshop rethink later: _____ .
