

Card Catalog Story Retell Card Pack

Sixteen card-catalog cards help writers retell a beginning snapshot, a middle clue, a turning choice, an ending answer, a favorite detail, and a next retell prompt.

Audience: Families, homeschool groups, tutors, and adult-led writing tables for writers ages 7-11.

Format: 16 printable card catalog story retell cards plus adult guide tools, retell routines, take-home retell slips, and optional adult prompts

Family-safe printable writing pages for adult-led, offline retell practice.

\$95

Included

- 16 printable card catalog retell cards
- Adult setup guide
- Fictional retell safety notes
- Beginning snapshot prompts
- Middle clue prompts
- Turning choice prompts
- Ending answer prompts
- Favorite detail prompts
- Six adult-led retell routines
- Ten take-home retell slips
- Printable PDF and ZIP artifact

Retell coaching

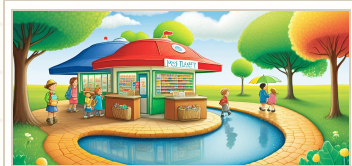

Card Catalog Story Retell Adult Guide:

- Adult-led setup: place the card catalog label strip, blank retell slips, pencils, and one paper card on the table before the offline retell begins: _____.
- Adult-led framing: keep every beginning snapshot, middle clue, turning choice, ending answer, favorite detail, next retell prompt, and card catalog label fictional: _____.
- Adult-led order: move from beginning snapshot to middle clue, turning choice, ending answer, favorite detail, next retell prompt, and card catalog label: _____.
- Adult-led support: let the writer write or dictate short paper-only retell lines while the adult keeps the card catalog stack sorted: _____.
- Adult-led safety: use pretend names, broad made-up places, and invented actions instead of exact identifiers or personal facts: _____.
- Adult-led close: reread the paper-only retell stack, choose the next retell prompt, and write the card catalog label: _____.

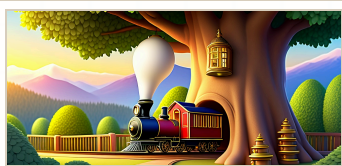

Use one story retell card at a time. Keep every retell line broad, invented, paper-only, and guided by an adult.

Sixteen retell card worlds

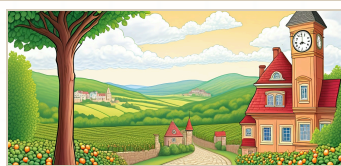

Pick a world image, then name the beginning, middle, turning choice, and ending in order.

SHORT PAPER RETELL SETUP: _____.

Beginning Snapshot Sort: _____.

Card catalog label strip, blank beginning snapshot slip, paper card, and pencil: _____.

1. The adult points to the beginning snapshot blank and names the retell task: _____.
2. The writer invents where the fictional story starts and who is there: _____.
3. The adult asks what one paper detail helps everyone remember the beginning snapshot: _____.
4. The writer writes the beginning snapshot on the slip and places it first: _____.

This retell begins with this beginning snapshot: _____.

MIDDLE RETELL PASS: _____.

Middle Clue Match: _____.

Beginning snapshot slip, middle clue slip, paper card, and pencil: _____.

1. The adult rereads the beginning snapshot and points to the middle clue blank: _____.
2. The writer chooses one fictional middle clue that helps the retell move forward: _____.
3. The adult asks how the middle clue connects to the beginning snapshot: _____.
4. The writer writes the middle clue and places it after the beginning snapshot: _____.

The middle clue in this retell is: _____.

CHOICE RETELL PASS: _____.

Turning Choice Card: _____.

Middle clue slip, turning choice slip, paper card, and pencil: _____.

1. The adult lays the middle clue beside the turning choice blank: _____.
2. The writer invents one fictional turning choice the character makes after the middle clue: _____.
3. The adult asks what changes because of the turning choice: _____.
4. The writer writes the turning choice and tucks it behind the middle clue: _____.

The turning choice for this paper-only retell is: _____.

ENDING RETELL PASS: _____.

Ending Answer Check: _____.

Turning choice slip, ending answer slip, paper card, and pencil: _____.

1. The adult rereads the turning choice and points to the ending answer blank: _____.
2. The writer names the fictional ending answer that finishes the retell path: _____.
3. The adult asks which earlier slip the ending answer connects back to: _____.
4. The writer writes the ending answer and places it after the turning choice: _____.

The ending answer closes this retell with: _____.

DETAIL RETELL PASS: _____.

Favorite Detail Finder: _____.

Retell slips, favorite detail slip, paper card, and pencil: _____.

1. The adult spreads the beginning snapshot, middle clue, turning choice, and ending answer slips in order: _____.
2. The writer chooses one favorite detail from the fictional retell stack: _____.
3. The adult asks why that favorite detail helps the retell stay clear on paper: _____.
4. The writer writes the favorite detail and adds it beside the ending answer: _____.

The favorite detail to remember is: _____.

RETELL WRAP PASS: _____.

Card Catalog Label Close: _____.

Finished retell slips, next retell prompt slip, card catalog label strip, and pencil: _____.

1. The adult rereads the beginning snapshot, middle clue, turning choice, ending answer, and favorite detail: _____.
2. The writer chooses one next retell prompt for another paper-only pass: _____.
3. The adult asks what card catalog label will help sort the fictional retell stack: _____.
4. The writer writes the next retell prompt and card catalog label, then the adult files the slips: _____.

The card catalog label for this retell is: _____.

Try one retell later

TAKE-HOME RETELL SLIP Retell slip 1 Adult: set out one paper slip and ask for a fictional beginning snapshot: _____.	TAKE-HOME RETELL SLIP Retell slip 2 Writer: the beginning snapshot for my paper-only retell is: _____.
TAKE-HOME RETELL SLIP Retell slip 3 Adult: ask which fictional middle clue belongs after the beginning snapshot: _____.	TAKE-HOME RETELL SLIP Retell slip 4 Writer: the middle clue in this retell is: _____.
TAKE-HOME RETELL SLIP Retell slip 5 Adult: ask what fictional turning choice follows the middle clue: _____.	TAKE-HOME RETELL SLIP Retell slip 6 Writer: the turning choice is: _____.
TAKE-HOME RETELL SLIP Retell slip 7 Adult: ask what fictional ending answer connects back to the retell path: _____.	TAKE-HOME RETELL SLIP Retell slip 8 Writer: the ending answer is: _____.
TAKE-HOME RETELL SLIP Retell slip 9 Adult: ask for one favorite detail and one next retell prompt: _____.	TAKE-HOME RETELL SLIP Retell slip 10 Writer: the favorite detail, next retell prompt, and card catalog label are: _____.

- Optional adult prompts**
- Optional adult-led paper prompt: the beginning snapshot starts with _____.
 - Optional adult-led paper prompt: the middle clue helps because _____.
 - Optional adult-led paper prompt: the turning choice changes the retell by _____.
 - Optional adult-led paper prompt: the ending answer connects back to _____.
 - Optional adult-led paper prompt: the favorite detail to keep is _____.
 - Optional adult-led paper prompt: the next retell prompt could ask _____.
 - Optional adult-led paper prompt: the card catalog label should say _____.
 - Optional adult-led paper prompt: the paper-only retell stack is filed under _____.

Puddle Planet Post Office Story Retell Card

Adult setup: Adult: set out a blank page, pencil, and pretend card catalog slip before the Puddle Planet retell begins: _____.

Writer: keep the puddle planet, tiny envelopes, and post office helper invented while every retell part stays on paper: _____.

Puddle Planet Post Office

Beginning snapshot
Beginning snapshot: write who stands at the pretend post office counter and what puddle envelope starts the story: _____.

Middle clue
Middle clue: write the small envelope mark, stamp shape, or puddle reflection that helps the helper remember the middle: _____.

Turning choice
Turning choice: write the helper's paper choice when two pretend envelope bins seem possible: _____.

Ending answer
Ending answer: write how the helper answers the puddle-envelope question in a calm invented way: _____.

Favorite detail
Favorite detail: write one tiny Puddle Planet detail worth keeping in the retell: _____.

Next retell prompt
Next retell prompt: write one new paper question an adult can ask when this story is retold later: _____.

Card catalog label
Card catalog label: write the broad pretend label that files this Puddle Planet retell card: _____.

Quiet option: fill only the beginning snapshot, ending answer, and card catalog label blanks first: _____. **Take-home line:** retell this pretend Puddle Planet page later with one new envelope detail: _____.

Buttonwood Library Train Story Retell Card

Adult setup: Adult: place a blank page, pencil, and pretend catalog slip beside the Buttonwood train retell card: _____.

Writer: invent the library train, shelf car, ticket tag, and helper while the retell stays private on paper: _____.

Buttonwood Library Train

Beginning snapshot

Beginning snapshot: write who boards the pretend shelf car and what catalog ticket starts the story: _____.

Turning choice

Turning choice: write which track label or shelf car the helper chooses when the train pauses: _____.

Favorite detail

Favorite detail: write one Buttonwood train detail the retell should not forget: _____.

Card catalog label

Card catalog label: write the broad pretend label for this Buttonwood library train retell: _____.

Middle clue

Middle clue: write the shelf mark, ticket notch, or rolling card that helps the middle make sense: _____.

Ending answer

Ending answer: write how the helper explains where the pretend catalog ticket belongs: _____.

Next retell prompt

Next retell prompt: write one adult-led paper prompt for retelling the train story another way: _____.

Quiet option: fill only the middle clue and card catalog label, then pause the rest for later: _____.

Take-home line: retell this pretend train page later with one new shelf-car clue: _____.

Cloudberry Clocktower Story Retell Card

Adult setup: Adult: set a blank page, pencil, and pretend catalog card beside the clocktower retell page: _____.

Writer: keep the cloudberry tower, bell cards, floating notes, and helper invented while every retell line stays on paper: _____.

Cloudberry Clocktower

Beginning snapshot Beginning snapshot: write who looks up at the pretend clocktower and what cloudberry signal begins the story: _____.	Middle clue Middle clue: write the bell card, cloud mark, or tower note that explains the middle of the retell: _____.
Turning choice Turning choice: write the helper's choice when two pretend tower signals point to different ideas: _____.	Ending answer Ending answer: write the calm answer the helper gives after sorting the tower signal on paper: _____.
Favorite detail Favorite detail: write one cloudberry or clocktower detail that makes the retell clear: _____.	Next retell prompt Next retell prompt: write one new paper retell prompt for the clocktower helper: _____.
Card catalog label Card catalog label: write the broad pretend label that files this Cloudberry Clocktower retell: _____.	

Quiet option: fill the beginning snapshot, middle clue, and favorite detail before choosing the ending answer: _____. **Take-home line:** retell this pretend clocktower page later with one new cloud signal: _____.

Tiny Lantern Reef Story Retell Card

Adult setup: Adult: place a blank page, pencil, and pretend card catalog slip beside the reef retell card: _____.

Writer: invent the tiny lanterns, reef paths, shell marks, and helper while the retell stays paper-only: _____.

Tiny Lantern Reef

Beginning snapshot Beginning snapshot: write who notices the first pretend reef lantern and what gentle glow starts the story: _____ _____	Middle clue Middle clue: write the shell mark, lantern color word, or reef note that helps the middle connect: _____ _____
Turning choice Turning choice: write which harmless lantern path the helper chooses when the reef notes differ: _____ _____	Ending answer Ending answer: write how the helper explains the final lantern path on the paper page: _____ _____
Favorite detail Favorite detail: write one tiny reef detail that belongs in every retell: _____ _____ _____	Next retell prompt Next retell prompt: write one adult-led question for retelling the reef story with a new detail: _____ _____
Card catalog label Card catalog label: write the broad pretend label for this Tiny Lantern Reef retell: _____ _____ _____	

Quiet option: fill only the lantern beginning, the ending answer, and the card catalog label: _____.

Take-home line: retell this pretend reef page later with one new lantern path note: _____.

Acorn Avenue Errand Office Story Retell Card

Adult setup: Adult: set out one blank page, pencil, and pretend catalog label slip before the errand-office retell: _____.

Writer: keep the Acorn Avenue helper, errand slips, desk tray, and paper counter invented: _____.

Acorn Avenue Errand Office

Beginning snapshot Beginning snapshot: write who arrives at the pretend errand office and what folded slip starts the story: _____ _____	Middle clue Middle clue: write the acorn stamp, tray mark, or desk note that helps the middle of the retell: _____ _____
Turning choice Turning choice: write which paper counter or tray the helper chooses when the errand slip changes meaning: _____ _____	Ending answer Ending answer: write the clear invented answer the helper gives about the errand slip: _____ _____
Favorite detail Favorite detail: write one Acorn Avenue detail that makes the retell easier to remember: _____ _____	Next retell prompt Next retell prompt: write one new adult-led paper prompt for retelling the errand office story: _____ _____
Card catalog label Card catalog label: write the broad pretend label for this Acorn Avenue retell card: _____ _____ _____	

Quiet option: fill the beginning snapshot and middle clue now, then let the adult hold the ending blank for later: _____. **Take-home line:** retell this pretend errand-office page later with one new folded slip: _____.

Pocket Park Notice Board Story Retell Card

Adult setup: Adult: place a blank page, pencil, and pretend card catalog label beside the Pocket Park retell card: _____.

Writer: invent the pocket park, board notes, paper pins, and helper while every retell answer stays offline and on paper: _____.

Pocket Park Notice Board

Beginning snapshot

Beginning snapshot: write who reads the first pretend board note and what park detail starts the story: _____.

Turning choice

Turning choice: write which notice the helper chooses when two pretend notes could guide the page: _____.

Favorite detail

Favorite detail: write one pocket-park detail that should stay in the retell: _____.

Card catalog label

Card catalog label: write the broad pretend label that files this Pocket Park retell: _____.

Middle clue

Middle clue: write the paper pin, folded corner, or board note that helps the middle become clear: _____.

Ending answer

Ending answer: write how the helper explains the notice board question in the ending: _____.

Next retell prompt

Next retell prompt: write one adult-led paper prompt that starts a later retell of this park page: _____.

Quiet option: fill only the beginning snapshot, turning choice, and card catalog label: _____. **Take-home line:** retell this pretend notice board page later with one new paper pin detail: _____.

Penny Path Compass Shop Story Retell Card

Adult setup: Adult-led fictional offline paper-only setup: set out a blank compass shop page, pencil, and card catalog label slip before the retell begins: _____.

Adult-led fictional offline paper-only direction: invent a compass shop helper, a penny path mark, and a calm retell that stays on paper: _____.

Penny Path Compass Shop

Beginning snapshot Beginning snapshot: write what the compass shop helper sees first near the penny path counter: _____ _____	Middle clue Middle clue: write the paper clue that helps the helper understand the compass mark better: _____ _____
Turning choice Turning choice: write the choice the helper makes when the penny path points two pretend ways: _____ _____	Ending answer Ending answer: write the answer the helper can give after following the chosen paper path: _____ _____
Favorite detail Favorite detail: choose one tiny compass shop detail from the retell and write why it belongs: _____ _____	Next retell prompt Next retell prompt: change one small paper clue and retell the same compass shop story another way: _____ _____
Card catalog label Card catalog label: write the short pretend label for this penny path compass shop retell: _____ _____	

Quiet option: adult points to the middle clue line, and the writer fills only the ending answer blank: _____. **Take-home line:** keep the compass shop page with its card catalog label for one later paper retell: _____.

Orchard Pulley Post Story Retell Card

Adult setup: Adult-led fictional offline paper-only setup: place a blank orchard post page, pencil, and card catalog label slip beside the retell card: _____.

Adult-led fictional offline paper-only direction: invent an orchard post helper and keep the pulley, ribbon marks, and message cards pretend: _____.

Orchard Pulley Post

Beginning snapshot

Beginning snapshot: write what the orchard helper is carrying, sorting, or checking at the pulley post first: _____.

Middle clue

Middle clue: write the orchard clue that helps the helper understand the pulley message: _____.

Turning choice

Turning choice: write the paper choice the helper makes when the pulley message could move two ways: _____.

Ending answer

Ending answer: write the calm answer the helper reaches after the turning choice: _____.

Favorite detail

Favorite detail: choose one ribbon mark, branch tag, or pulley arrow from the retell and write why it matters: _____.

Next retell prompt

Next retell prompt: move one orchard clue to a new spot and retell the page with a new path: _____.

Card catalog label

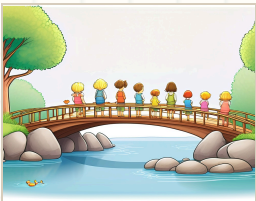

Card catalog label: write the short pretend label for this orchard pulley post retell: _____.

Quiet option: adult circles the favorite detail line, and the writer fills only the card catalog label blank: _____. **Take-home line:** save the orchard post page with one next retell prompt ready for later paper use: _____.

Pond Bridge Blueprint Club Story Retell Card

Adult setup: Adult-led fictional offline paper-only setup: set out a blank blueprint club page, pencil, and card catalog label slip before the paper retell starts: _____.

Adult-led fictional offline paper-only direction: invent a blueprint club helper, a pretend pond bridge sketch, and a retell that stays on the page: _____.

Pond Bridge Blueprint Club

Beginning snapshot Beginning snapshot: write what the blueprint helper notices first on the pretend pond bridge sketch: _____ _____	Middle clue Middle clue: write the blueprint clue that helps the helper understand what needs to change: _____ _____
Turning choice Turning choice: write the choice the helper makes when two bridge sketch paths seem possible: _____ _____	Ending answer Ending answer: write the answer the helper gives after choosing the bridge sketch path: _____ _____
Favorite detail Favorite detail: choose one plank line, dotted mark, or folded corner from the retell and write why it helps: _____ _____	Next retell prompt Next retell prompt: change one blueprint clue and retell the bridge page with a new ending answer: _____ _____
Card catalog label Card catalog label: write the short pretend label for this pond bridge blueprint club retell: _____ _____	

Quiet option: adult points to the beginning snapshot, and the writer fills only the middle clue blank: _____. **Take-home line:** place the blueprint club page with its card catalog label for one later paper retell: _____.

Revision River Ferry Story Retell Card

Adult setup: Adult-led fictional offline paper-only setup: set out a blank ferry page, pencil, margin-note slip, and card catalog label before the retell work begins: _____.

Adult-led fictional offline paper-only direction: invent a ferry guide who carries pretend revision notes across a made-up river on paper: _____.

Beginning snapshot Beginning snapshot: write what the ferry guide is revising, sorting, or carrying at the river edge first: _____ _____	Middle clue Middle clue: write the margin clue that helps the ferry guide understand the page in a new way: _____ _____
Turning choice Turning choice: write the revision choice the guide makes when two ferry paths could fit the clue: _____ _____	Ending answer Ending answer: write the answer the ferry guide reaches after the chosen revision path crosses the page: _____ _____
Favorite detail Favorite detail: choose one margin arrow, ferry tag, or crossed note from the retell and explain why it belongs: _____ _____	Next retell prompt Next retell prompt: change the ferry guide's middle clue and retell the same page with a different ending answer: _____ _____
Card catalog label Card catalog label: write the short pretend label for this revision river ferry retell: _____ _____	

Quiet option: adult marks the turning choice line, and the writer fills only the favorite detail blank: _____, **Take-home line:** keep the ferry page with the next retell prompt ready for another offline paper pass: _____.

Chapter Gate Greenhouse Story Retell Card

Adult setup: Adult-led fictional offline paper-only setup: place a blank greenhouse gate page, pencil, and card catalog label slip where the writer can reach them: _____.

Adult-led fictional offline paper-only direction: invent a greenhouse gate keeper, a pretend latch note, and a retell that stays fictional on paper: _____.

Chapter Gate Greenhouse

Beginning snapshot
Beginning snapshot: write what the greenhouse gate keeper notices first beside the pretend latch note:

Middle clue
Middle clue: write the gate clue that helps the keeper understand what the latch note means:

Turning choice
Turning choice: write the choice the keeper makes when the greenhouse gate note could be retold two ways:

Ending answer
Ending answer: write the answer the keeper reaches after choosing the retell path that fits the clue:

Favorite detail
Favorite detail: choose one latch mark, seed tag, or glasshouse line from the retell and write why it helps:

Next retell prompt
Next retell prompt: swap one greenhouse gate clue and retell the same page with a new favorite detail:

Card catalog label
Card catalog label: write the short pretend label for this greenhouse gate retell: _____

Quiet option: adult points to the ending answer line, and the writer fills only the next retell prompt blank: _____, **Take-home line:** save the greenhouse gate page with its card catalog label for one later offline paper retell: _____.

Margin Note Market Story Retell Card

Adult setup: Adult-led fictional offline paper-only setup: place blank paper, pencil, and this card beside three pretend margin-note slips from one invented market stall:
_____.
Adult-led fictional offline paper-only direction: retell the made-up market story from the first note to the final label without using real names or real places: _____.

Margin Note Market

Beginning snapshot Adult-led fictional offline paper-only beginning snapshot: write what the note keeper first sees at the margin-note stall: _____.	Middle clue Adult-led fictional offline paper-only middle clue: write the small margin mark, folded corner, or paper tag that helps the retell make sense: _____.
Turning choice Adult-led fictional offline paper-only turning choice: choose which pretend note the keeper follows when the market path changes: _____.	Ending answer Adult-led fictional offline paper-only ending answer: write how the note keeper explains what the margin note was trying to show: _____.
Favorite detail Adult-led fictional offline paper-only favorite detail: copy one tiny stall detail that should stay in the retell: _____.	Next retell prompt Adult-led fictional offline paper-only next retell prompt: write one new way to retell the same market moment from another pretend slip: _____.
Card catalog label Adult-led fictional offline paper-only card catalog label: write the broad label for filing this Margin Note Market retell card: _____.	

Adult-led fictional offline paper-only quiet option: fill only the beginning snapshot, middle clue, and card catalog label first: _____. Adult-led fictional offline paper-only take-home line: save the market card and add one next retell prompt on a fresh slip later: _____.

Blue Pencil Observatory Story Retell Card

Adult setup: Adult-led fictional offline paper-only setup: place blank paper, pencil, and this card beside a pretend observatory note with one blue pencil circle:
_____.

Adult-led fictional offline paper-only direction: retell the invented observatory moment by following the blue pencil marks across the paper: _____.

Blue Pencil Observatory

Beginning snapshot
Adult-led fictional offline paper-only beginning snapshot: write where the observatory helper starts beside the blue pencil chart: _____.

Turning choice
Adult-led fictional offline paper-only turning choice: choose whether the helper checks the chart edge, the pencil tray, or the quiet note first: _____.

Favorite detail
Adult-led fictional offline paper-only favorite detail: save one invented observatory detail, such as a pencil shaving moon or a folded chart tab: _____.

Card catalog label
Adult-led fictional offline paper-only card catalog label: write the broad label for this Blue Pencil Observatory retell card: _____.

Middle clue
Adult-led fictional offline paper-only middle clue: write the circled mark, tiny arrow, or chart speck that changes what the helper notices: _____.

Ending answer
Adult-led fictional offline paper-only ending answer: write what the helper understands after matching the blue mark to the chart: _____.

Next retell prompt
Adult-led fictional offline paper-only next retell prompt: write how the same observatory moment could be retold from the chart's point of view: _____.

Adult-led fictional offline paper-only quiet option: circle the middle clue on scrap paper before filling the ending answer: _____. Adult-led fictional offline paper-only take-home line: keep the observatory card and add one new blue pencil clue later: _____.

Binding Day Boardwalk Story Retell Card

Adult setup: Adult-led fictional offline paper-only setup: place blank paper, pencil, and this card beside pretend boardwalk slips, ribbon marks, and one loose paper cover:

Adult-led fictional offline paper-only direction: retell the invented boardwalk story by showing how the paper pieces become easier to follow:

Binding Day Boardwalk

Beginning snapshot

Adult-led fictional offline paper-only beginning snapshot: write what the binding helper sees at the start of the boardwalk row:

Turning choice

Adult-led fictional offline paper-only turning choice: choose which paper piece the helper moves when the boardwalk order feels mixed:

Favorite detail

Adult-led fictional offline paper-only favorite detail: keep one small boardwalk detail, such as a ribbon knot, cover stamp, or page rail:

Card catalog label

Adult-led fictional offline paper-only card catalog label: write the broad label for filing this Binding Day Boardwalk retell card:

Middle clue

Adult-led fictional offline paper-only middle clue: write the ribbon tag, cover mark, or page corner that hints where the retell should go next:

Ending answer

Adult-led fictional offline paper-only ending answer: write how the helper explains the final boardwalk order on the page:

Next retell prompt

Adult-led fictional offline paper-only next retell prompt: write one fresh retell path that starts from a different pretend boardwalk slip:

Adult-led fictional offline paper-only quiet option: arrange three paper slips first, then write only the ending answer and label: . Adult-led fictional offline paper-only take-home line: save the boardwalk card and add one favorite detail on a small paper strip later:

Sticker Station Mail Cart Story Retell Card

Adult setup: Adult-led fictional offline paper-only setup: place blank paper, pencil, and this card beside pretend sticker slips and a drawn mail-cart pocket:
_____.
Adult-led fictional offline paper-only direction: retell the made-up cart story with pretend stickers, paper pockets, and gentle choices only: _____.

Sticker Station Mail Cart

Beginning snapshot Adult-led fictional offline paper-only beginning snapshot: write where the sticker helper first parks the pretend mail cart: _____.	Middle clue Adult-led fictional offline paper-only middle clue: write the sticker shape, cart pocket, or paper note that helps the helper understand the retell: _____.
Turning choice Adult-led fictional offline paper-only turning choice: choose which sticker slip the helper places in the cart pocket first: _____.	Ending answer Adult-led fictional offline paper-only ending answer: write how the helper knows the sticker slips are sorted for this story: _____.
Favorite detail Adult-led fictional offline paper-only favorite detail: save one tiny sticker-station detail for the retell, such as a star tab or striped cart wheel: _____.	Next retell prompt Adult-led fictional offline paper-only next retell prompt: write one way to retell the cart moment with a different sticker slip: _____.
Card catalog label Adult-led fictional offline paper-only card catalog label: write the broad label for this Sticker Station Mail Cart retell card: _____.	

Adult-led fictional offline paper-only quiet option: point to the cart pocket and fill only the middle clue first: _____. Adult-led fictional offline paper-only take-home line: keep the sticker card and draw one new pretend slip for another retell later: _____.

Paperclip Plaza Parcel Day Story Retell Card

Adult setup:

Adult-led fictional offline paper-only setup: place blank paper, pencil, and this card beside pretend parcel tags and a drawn paperclip plaza tray:

_____.

Adult-led fictional offline paper-only direction:

retell the invented parcel-day story with paperclip marks, pretend tags, and no real details: _____.

Paperclip Plaza Parcel Day

Beginning snapshot Adult-led fictional offline paper-only beginning snapshot: write what the plaza helper first sees in the parcel tray: _____.	Middle clue Adult-led fictional offline paper-only middle clue: write the paperclip mark, tag color, or folded corner that helps the retell move forward: _____.
Turning choice Adult-led fictional offline paper-only turning choice: choose which pretend parcel tag the helper checks before the tray can settle: _____.	Ending answer Adult-led fictional offline paper-only ending answer: write how the helper explains where the pretend parcel belongs in the story: _____.
Favorite detail Adult-led fictional offline paper-only favorite detail: keep one small plaza detail, such as a shiny clip shape or a tidy tag stack: _____.	Next retell prompt Adult-led fictional offline paper-only next retell prompt: write one new retell prompt that starts with a different paperclip mark: _____.
Card catalog label Adult-led fictional offline paper-only card catalog label: write the broad label for this Paperclip Plaza Parcel Day retell card: _____.	

Adult-led fictional offline paper-only quiet option: fill the beginning snapshot and favorite detail before adding the ending answer: _____. Adult-led fictional offline paper-only take-home line: save the parcel card and add one new pretend tag for another paper retell later: _____.
